*Thank you for considering a donation to RideAbility.*

RideAbility is a local non-profit organization located in the Pine Island area that provides basic horsemanship opportunities and horseback riding classes for disabled persons and their families. We believe that exposure to animals results in positive benefits for children and adults alike. We are very family-oriented, in addition to the horseback riding classes we sponsor several family events per year. Thank you for considering supporting RideAbility !!!!

**Special Event:**

We are asking for a donation from your business for our silent auction, and we would like this to be a WIN-WIN situation. If you can donate a small item that we can combine with other donations to make a nice “basket” that would be wonderful. Or, you might be able to donate a gift certificate to your business that would bring you some new customers. If you are able and willing to make a more substantial donation or have something extra “fun” for us to sell at our auction we would greatly appreciate that also!!! In any case, we want this silent auction to be a way for us to support your business while you support RideAbility. We will provide you with a receipt for your tax-deductible contribution. THANK YOU SO MUCH!

**Advertising and publicity advantages:**

Our supporters will be listed on posters at our fundraiser, in our newsletter and in the Pine-Island/Zumbrota Record at year-end.
